

Jacqueline Gallagher

Department of Geography
University of Mary Washington
1301 College Avenue
Fredericksburg, VA 22401
Email: jgallagh@umw.edu
Phone: 540-654-1493

Professional Experiences

August 2014 – present

Chair, Department of Geography, University of Mary Washington

2012-13 Interim chair, Department of Geography, University of Mary Washington

August 2010 – present

Associate Professor, Department of Geography, University of Mary Washington

August 2006-July 2010

Assistant Professor, Department of Geography, University of Mary Washington

August 2003 to June 2006

Instructor, Department of Geosciences, Florida Atlantic University

August 1997 to July 2003

Assistant Professor, Department of Geography & Geology, Florida Atlantic University

Summer 1995, Spring & Summer 1996

Adjunct Professor, Department of Geography, University of California, Los Angeles

January 1994 to January 1997

Adjunct Professor, Department of Geography, California State University, Northridge

Education

Ph.D. 1996: Department of Geography, University of California, Los Angeles. Dissertation: *Late Holocene evolution of the Chorro delta, Morro Bay, California.*

M.Sc. 1989: Department of Geography, Memorial University of Newfoundland. Thesis: *The Quaternary geomorphology and glacial history of inner Nachvak Fiord, northern Labrador.*

B.Sc. 1985: Department of Geography, University of Wales, College of Swansea. Major: Quaternary Studies, Minor: Pedology. Honours dissertation: *Rates of deposition and origin of moraines at Böverbreen, southern Norway, in the last 250 years.*

Grants and Awards

Spring 2016: Supplemental Faculty Development Funds, Mary Washington

Spring 2015: Supplemental Faculty Development Funds, Mary Washington

Spring 2012: CESU Cooperative Agreement: Assessment of Inputs Leading to Water Quantity Issues in a small watershed near Potomac, Maryland; with B. Rizzo, M. Bass and A. Griffith. \$18,000 contract.

Spring 2012: Supplemental Faculty Development Funds, Mary Washington

Summer 2011: Faculty Research Grant, Mary Washington
Spring 2011: George Washington Regional Commission contract to classify City of Fredericksburg land parcels by economic function; with S. P. Hanna. \$2,500 contract.
Spring 2010: Supplemental Faculty Development Funds, Mary Washington
Spring 2009: Supplemental Faculty Development Funds, Mary Washington
Spring 2008: Supplemental Faculty Development Funds, Mary Washington
March 2002: CESI Landscape Patterns Program; with J.C. Volin (FAU), T.J. Givnish (U Wisconsin-Madison), P.H. Glaser (U. Minnesota). *Landscape Model of Ridge and Slough Topography: Integration of Hydrology and Biological Processes*. Approximately \$800,000 awarded over 3 years.
December 2000: Seminole Tribe of Florida; with J. Volin (FAU). *Hydrologic monitoring of wetlands of the Big Cypress Seminole Indian Reservation*. \$30,000 awarded.
January 2000: FAU Research Initiative Award. *High stage indicators around Lake Okeechobee: their origin, age and significance*; \$4,723.00 awarded.

Refereed Publications

Masters Capstones Advised

Chadduck, C. E. MSGA 2016: Study of Night-time Lights, Continental US, 2003-2013

Graduate Theses Advised

Badiali, M.J., MS Geology 2000: Sedimentary Characteristics of Sugar Ridge and their implications for Sediment Transport in Lake Okeechobee, Florida

Pinneo, J. R., MS Environmental Science 2001: Plant Colonization on a Newly Restored Floodplain of the Kissimmee River, Florida.

Day, I.M., MS Environmental Science 2006: Baseline Study of Tree Island Vegetation, Grassy Waters Preserve, Florida.

Yustin, M. MS Environmental Science 2006: Environmental Impacts of Human Encroachment, Grassy Waters Preserve, Florida.

Research and Field Experience

Hazel Run, Fredericksburg, VA, 2008-2012

Big Cypress Seminole Indian Reservation, FL, 2003-2004

Kissimmee River restoration project, 1999-2001

Lake Okeechobee shorelines, FL, 1998-2001

Morro Bay wetlands, CA, 1990-1995

Nachvak Fiord, Labrador, Canada, Summer 1986

Jotunheimen Mountains, Norway, Summer 1984

Courses Taught

Weather & Climate with Lab

Landform Processes with Lab

Natural Hazards

Mobile GIS & GPS with Lab (using ESRI's ArcGIS products)

GIS and Automated Cartography

First Year Seminar: Water Resources

Biogeography

Service at the University of Mary Washington

Strategic Resource Allocation Support Task Force co-chair (2013-2014)

President's Council on Sustainability (2009-2012)

First Year Advisor (2007-09; 2010-2011)

Strategic Planning Discussion Group: Sustainability (Spring 2009)

Academic Affairs Committee (2008-2010)

Environmental Awareness Committee (2007-2008)

Membership and Service in Professional Organizations

Association of American Geographers

South Eastern Division of the Association of American Geographers (Program Committee, 2007-2009; Florida State Representative, 1999-2001; Chair, Teller's Committee, 2009-2012)

National Association of Geoscience Teachers

Virginia Geographic Alliance
