Name your seat.
By taking your seat in Klein Theatre, you will help us to establish the *Fund for Theatrical Excellence*, which will provide extraordinary artistic opportunities for Mary Washington students in the years to come. Your generous gift will allow us to:

- invite guest artists to work with students
- engage students in unique theatrical events
- explore emerging materials and technologies in design
- ensure that UMW offers audiences significant theatrical experiences in the years ahead.

The *Fund for Theatrical Excellence* will expand our vision of what is possible for UMW students as they work side-by-side with talented faculty to explore theatre both in and out of our studios, shops, classrooms, and theatres.

**Won’t you help us?**

For just $500 you can name a seat in the beautiful Klein Theatre.

Most important, you will be personally responsible for creating amazing opportunities for our students as they discover themselves, the theatre, and the world beyond our campus.

**But that’s not all.**

You can name . . .

- a pair of seats for $1,000
- a row of seats in the center section for $4,500
- the left or right sections for $20,000
- the center section for $76,500

If you name a whole section in the house, you will receive two of the original Klein Theatre seats for your very own home!
