The UMW Department of Mathematics invites you to the

2013 Honors Defenses

Monday, April 15, B7 Trinkle Hall
Refreshments at 3:30, talks start at 4:00

Katie Dillinger
*Analysis of the Heat Equation
with a Heat Source Term*

Morgan Brown
*Numerical Approximations to the
One- and Two-Dimensional Wave Equation*

Kelly Brown
*Mathematical Models of Honey Bee Populations:
Rapid Population Decline*

Peter Slattery
*Analytical Approaches to the
Wave Equation*

UNIVERSITY OF
MARY WASHINGTON

where great minds get to work
