

Live, Work and Discover in Japan!

ABOUT JET PROGRAM

The Japan Exchange and Teaching (JET) Program offers young professionals the opportunity to work in Japan as Assistant Language Teachers (ALTs) or Coordinators for International Relations (CIRs).

Since 1987, more than 70,000 JET Program participants from 75 countries have lived and worked in cities, towns, and villages throughout Japan. Join JET and become part of this exclusive network of like-minded international enthusiasts!

To learn more, come and speak to a JET Program representative at our virtual information session!
