

## The UMW – Kaplan Test Prep Partnership

A partnership between the UMW Pre-Health Program, UMW Continuing Education, and Kaplan Test Prep has been established that provides UMW Premed students with Kaplan MCAT Test Prep courses at a significantly reduced rate. UMW Premed students can enroll in Kaplan MCAT In-Person or Live-Online courses at a cost to the student of \$1550, a savings of **\$949**!! The In-Person Course offers live, in-person instruction at a number of locations in Virginia and Washington DC, while the Live-Online Course offers the same instruction delivered online over Kaplan's exclusive *MCAT Channel*, live or recorded. This fall, the deadline to enroll is September 25th for classes starting in October & November, and there are several schedules to choose from. If you don't see a schedule that works for you, contact Continuing Studies at [continuingstudies@umw.edu](mailto:continuingstudies@umw.edu)
